INFORMATION

ICM provides premier technical management and directly related services to clients in oil, gas, petro-chemical and industrial markets

We help our clients solve problems.

We look at the market through our clients' perspective and we do whatever it takes to help them overcome their challenges.

**WHO IS ICM** INTERNATIONAL CONSULTING & MANAGEMENT

Several white lines of varying lengths and orientations are positioned on the right side of the slide, creating a modern, abstract graphic element.

Accurate contract management leads to increased efficiency,  
reduced risk, lower cost, increased revenues and  
optima value of your business relationships

We have a comprehensive knowlage of the typical contractual problems  
encountered on large engineering projects and  
extensive know-how in solvig them.

ICM offer innovative solutions and proposals to resolve  
problems and mitigate risks.

ICM aims to deliver high quality services,  
which satisfy the requirements of our customers offering a high degree of  
quality technical and  
commercial services to industry,  
in particular the oil, gas and petro-chemical sector
